20th Feby. 1886.

Sir:-

After careful examination by Mr. McClure and myself of the medal dies in possession of the U.S. Mint, we find the following dies wanting viz.

Antonio Wayne, Stony Point
Joanni Stewart " "
John Paulding, David Williams, Isaac Van Wert capture of Major Andre.
Gen. Nathanial Greene, Eutaw Springs
Libertas Americana, surrender of British armies at Saratoga and Yorktown.

These medals are all of a national character and should it be considered advisable, can be engraved, as we have the medals in the Cabinet from which we can follow the design.

I would respectfully recommend that we take up this work at once, as I think it highly proper, where it is possible, to have all dies of a national and historic character in this institution

Very respectfully,
Chas. E. Barber.
